

## Corporate & Management Consultants Limited: BusinessStart-up Launchpad

The **BusinessStart-up Launchpad** is an innovative initiative by Corporate & Management Consultants Limited designed to provide meaningful and professional support to early-stage companies and entrepreneurs.

The BusinessStart-up Launchpad leverages the expertise of our in-house teams across various disciplines, including legal, corporate, tax, accounting, and advisory services. Our goal is to empower new ventures by helping them establish a solid foundation, navigate the challenges of the early stages, and grow in a structured and cost-efficient manner.

We believe that with the right support, entrepreneurs can turn their ideas into successful businesses. The BusinessStart-up Launchpad is here to guide you every step of the way.

If you are a founder, entrepreneur, or part of a small business team seeking structured support and a dependable partner, the Start-up Launchpad provides a solid foundation for your journey. If you believe our services and guidance could benefit your company, we encourage you to reach out.

Our team is committed to supporting your growth—both practically and professionally—by assisting with company setup, structuring, compliance management, and providing access to tax, legal, and financial expertise.

### **Who Can Apply**

The Launchpad is open to start-ups and small businesses that:

- **Are less than 2 years old**
- **Generate less than Tshs 500 million in annual revenue**
- **Are in early funding stages or self-funded**
- **Operate in areas aligned with our professional expertise**

Each application will undergo a thorough review by our internal team. Those selected will be invited for a one-on-one meeting to gain a deeper understanding of their specific needs. Following this meeting, we will prepare a tailored proposal detailing the support we can provide.

### **Our Expertise**

With decades of experience in corporate, legal, tax, financial, and compliance services, the BusinessStart-up Launchpad allows us to share our knowledge with the next generation of businesses. By offering structured support and strategic guidance, we aim to help start-ups avoid costly missteps, gain clarity in complex areas, and build long-term value. Our approach is hands-on, practical, and focused on sustainable business development.

We see this as an opportunity to contribute to the growth of new ventures while fostering meaningful professional relationships that can evolve over time.

### **How It Works**

If you believe your start-up or business is eligible for the BusinessStart-up Launchpad, the process is straightforward:

1. Contact us [Click](#) using the form below with a brief message explaining what your company does, your achievements so far, and your goals.
2. Our team will review your request, and if suitable, we will arrange a meeting to better understand your needs—either in person or online.

3. After the meeting, we will conduct an internal review with our experts and come back to you with a clear proposal outlining how we can support you and the services or benefits available.
